**Dated 24.06.2017**

On behalf of the President of India, Sr. Manager, Effluent Management Section (EM), Nuclear Fuel Complex (NFC), Department of Atomic Energy, Government of India, ECIL (PO), Hyderabad - 500 062, hereby invites tenders for buying the following effluent for a period of **36 months** from the date of the issue of the sale order from firms having valid CFO from state PCB only, subject to the following terms and conditions:

Name of the Effluent	Quantity offered for Sale	Composition of the material*	
<b>MgCl<sub>2</sub> (Grade I) &amp; (Grade II) in 4:1 ratio</b>	<b>Total 138 MT per month</b>	<b>MgCl<sub>2</sub> (Grade I)</b> MgCl <sub>2</sub> : > 99% Moisture & Volatiles : < 1%	
	<b>110 MT of MgCl<sub>2</sub> (Grade I) with 28 MT of MgCl<sub>2</sub>(Grade II) per month</b>	<b>MgCl<sub>2</sub> (Grade II)</b> MgCl <sub>2</sub> : >90% Magnesium : <5% Zirconium : <1% Moisture & Volatiles : <5%	

**\* Composition of the material is tentative and may vary based on the actual production**

**EMD Rs. 2,98,100 /- (Rupees Two Lakhs Ninety Eight Thousand One Hundred Only)** shall be submitted along with your offer by a DD drawn on SBI, NFC Branch, Code No.9071 or on any Scheduled Bank, payable at Hyderabad without any deduction towards I.T. / D.D. commission charges, in favor of "Pay & Accounts Officer, Nuclear Fuel Complex, Hyderabad".

**1.0 DETAILS ABOUT THE EFFLUENT**

**Material:** The effluent contains useful chemicals which can be recovered and re-used.

**For every one ton of sale order quantity, 0.8 MT of MgCl<sub>2</sub> Grade I material and 0.2 MT of MgCl<sub>2</sub> Grade II material shall be given, both packed separately.**

**Source:** The effluent is generated during the production process at ZSP and will be directly disposed of in packed condition. **Packing charges are extra @ Rs. 1791/- (Rupees One Thousand Seven Hundred Ninety One only) per metric ton.**

**Inspection:** For inspection of material, interested parties may contact Sr. Manager, EM, NFC, Hyderabad-500062, between 10:00 hrs and 16:00 hrs on all working days (Contact Phone Nos. 040-2718- 3253/3268/4206).

**Storage & Collection:** Successful tenderer shall arrange for collection of the material from NFC premises for about 6 times in a month using their own **Manpower** and **Transport**. It will be deemed as a failure of performance if the collection schedule is not adhered to.

## 2.0 **CONDITIONS FOR LIFTING OF MATERIAL**

NFC reserves the right to enter into parallel contracts with more than one tenderer for the same item.

It is the responsibility of the successful tenderer to collect the material offered from the effluent generating plant in NFC, either directly or through the authorized agents with prior approval of NFC and after complying with necessary procedures.

**Only the parties enclosing the following certificates / licenses along with the tender will be considered:**

- i) **State Pollution Control Board's Clearance: A copy of Valid Consent order For Operation (CFO) obtained from State Pollution Control Board.**
- ii) **State Industrial License Registrars certificate to operate the Industry**

The successful tenderers are solely responsible for any accident, spillage, pollution, etc. taking place either at NFC premises while lifting the material or during transportation or while storing / processing / disposing at their premises.

The composition / concentration is only indicative and variation may be there. The quantities offered for disposal as shown above are approximate and may vary. However the quantity can be increased / decreased depending on the availability of the material.

The tenderer is required to supply all the information asked for in **Annexure I**, in the absence of which, their offer shall be invalid.

**Payment for material:** After acceptance of the tender, the successful tenderer should lift the entire quantity of materials offered as per the sale order and agreed delivery schedule. Based on the availability of material, the successful tenderer should make the payment of NFC in advance for lifting the material.

## 3.0 **HOW TO BID**

The duly filled in tenders along with the documents mentioned at **2** (above) and **Annexure I** should be submitted in sealed cover within the stipulated time, addressed to :

**Sr. Manager  
Effluent Management Section  
Nuclear Fuel Complex  
ECIL (POST)  
HYDERABAD – 500 062**

The offer should be signed by a competent authority or attorney vested with power to sign contracts in the case of private and public limited companies. In the case of proprietary concern, it should be signed by the proprietor or his authorized attorney. In the case of partnership firm, it should be signed by the managing partner or his authorized attorney.

It may also be noted that, if the last date fixed for tender sale and / or the date fixed for tender receipt and opening happens to a non working day for NFC, the same will stand postponed to the next working day.

The sealed tenders should reach the office of Sr. Manager, Effluent Management Section, NFC by 16:00 hrs on 27.07.2017.

The Earnest Money Deposit submitted along with the offer shall bear no interest to the tenderer and in case of unsuccessful tenderers, it shall be released only after finalisation of the tender. The EMD will be retained as a part of Security Deposit in the case of successful tenderers.

The tenderer shall keep their offer open for acceptance for a minimum period of six months from the date of opening of the tender.

The tenderer should commit minimum quantity they can lift every month.

**The rate should be quoted per Metric Ton basis** and the rate quoted shall be firm and binding. The tenderer shall have no option to revise the rate on the lower side during the validity of offer and during the currency of the contract.

**The Quotation from each tenderer shall be on one metric ton (1 MT) basis where one MT comprises of 0.8 MT of Mg Cl<sub>2</sub> Grade I material and 0.2 MT of Mg Cl<sub>2</sub> Grade II material i.e. the quotation shall be for both the materials together and not separately for each grade. However both will be separately packed and given.**

**It is the responsibility of the tenderer to safely dispose of the wastes in a suitable manner in keeping with the standards laid down by the State Pollution Control Board and other regulatory agencies.**

Inspectors of Health Physics Unit of Bhabha Atomic Research Centre stationed at NFC & Safety Engineering division of NFC may monitor the premises of purchaser with or without prior notice in order to ensure that safety regulations as specified are adhered to by purchaser.

#### 4.0 **RATES, TAXES, LEVIES, ETC:**

Quotation should be for **basic price** only in both **figures** and **words**. Over and above the basic rate quoted by the tenderer, the packing charges @ Rs 1791 / MT are extra to be paid by the tenderer.

In addition to the above, all applicable taxes *viz.* GST, levies and excise duty, etc., if any, will be charged extra at the prevailing rates as fixed by Government Of India at the time of lifting the effluent on each occasion. The tenderer shall pay such taxes, excise duty, etc.

#### 5.0 **TENDERER'S RESPONSIBILITY:**

After acceptance of tender, if the successful tenderer declines to enter into a contract for the purchase of material during or extended validity period of the offer or fails to comply with the required procedures / rules and regulations for purchasing and lifting the materials, the EMD submitted along with the tender shall be forfeited in addition to, without prejudice to NFC's right, other remedies as NFC deems fit may take action against such tenderer.

#### 6.0 **SECURITY:**

NFC is a High Security & Prohibited area and as such, security arrangements are looked after by Central Industrial Security Force (CISF). Personnel and visitors entering NFC premises are to strictly follow the security stipulations.

Successful tenderer's personnel including Driver / Cleaner / Supervisor will be allowed only on production of valid entry permit. For permitting trucks / tankers inside NFC, all the necessary vehicle documents must be complete in all respects and valid.

## 7.0 GENERAL CONDITIONS:

NFC does not undertake to give any guarantee to the successful tenderer for issue of material as per the sale order quantity. However, all efforts will be made by NFC to issue the material as per the sale order.

NFC shall not be liable for delay in performance of the contract resulting from or contributed to by circumstances beyond the control of NFC such as fire, explosion, accident in plant or equipment, riots, war or national emergency, labour disputes of any kind, etc.

NFC retains the right to terminate the contract in the interest of the Government at any time during the currency of the contract without assigning any reasons whatsoever.

Any question of difference or dispute arising out of the proposed running contract shall be left to the sole arbitration of the Chief Executive, Nuclear Fuel Complex or his nominee and any decision taken by the Chief Executive, Nuclear Fuel Complex or his nominee notwithstanding that he or his nominee is a Government servant, shall be final, conclusive and binding on both the tenderer and NFC.

NFC's responsibility shall cease the moment the material is collected from the plant by the successful tenderer or his authorized agent.

## 8.0 SECURITY DEPOSIT:

i) The Contract shall become effective only when the successful tenderer remits the required amount intimated at the time of finalization of the contract towards the security deposit. In addition a Performance Bond for an amount equivalent to 5% of the total cost of Effluent also should be submitted (format enclosed).

ii) Within 10 (ten) days of receipt of intimation of acceptance of tender, the successful tenderers should submit **5% of the cost of sale order quantity for a period of one year as security deposit & 5% of the cost of sale order quantity for a period of one year as Performance Bond Guarantee** by means of crossed demand draft drawn in favour of the **Pay and Accounts Officer, Nuclear Fuel Complex, Hyderabad**. The deposit shall not bear any interest and shall be retained by Pay & Accounts Officer, NFC till the satisfactory completion of the contract. Failure to remit the security deposit and performance bond will entail forfeiture of the EMD, without any prejudice to the rights or remedies available to the department against the successful tenderer. The security deposit will be refunded on receipt of a certificate from incharge of Effluent Management Section for the satisfactory performance of the contract.

iii) During the currency of the contract, if the successful tenderer is adjudged bankrupt or if he made a general assignment for the benefit of his creditors or if a receiver should be appointed for any reason or the successful tenderer winds up his establishment or goes into liquidation on account of insolvency, or if he refused to comply with any of the conditions of the contract either in part or in full, NFC shall forfeit the total security deposit & PBG amounts. This clause does not curtail or prejudice any of the rights or remedies NFC may deem if fit to take against the successful tenderer.

Yours faithfully,
