- iii) for the services rendered during the calendar month, by 3rd of succeeding month.

05. Operation and Maintenance of Vehicles.

- 5.1 The Contractor shall ensure that vehicles are run in accordance with the prevailing traffic regulations, prescribed speed limits and as per the Motor vehicles Act/Rules.
- 5.2 Proper maintenance of the vehicles and keeping them road worthy shall be the responsibility of the contractor. The remuneration etc., of drivers or any other personnel will have to be borne by the contractor including all statutory levies. Hours of work, wages, etc., of the drivers or any other personnel shall be in accordance with the prevailing laws from time to time.
- 5.3 The Contractor should comply with all the formalities, Rules and Regulations imposed by the State or Local Authority connected with plying of vehicles. The Contractor shall abide by Municipal Bye-laws, Rules and Regulations and by the laws of the State and Central Government in force from time to time pertaining to the contractor's establishment including those employed by him directly or through a sub-contractor. Any penalty or fine levied because of negligence and breach of any Laws/Rules/Regulations in force shall be borne solely by the Contractor.
- 5.4 It will be the responsibility of the Contractor to pick-up employees from the scheduled boarding points and maintain punctuality. In case, any employee is left behind, on account of the Contractor's vehicle leaving the bus stop before the scheduled departure time, or without touching any of the intermediary stops, the Contractor shall have to bring these employees to NFC site without charging any extra amount or he should bear the expenditure/charges incurred for bringing those employees by NFC management. Nuclear Fuel Complex has the right to treat such irregularities as non-operation though the bus reaches NFC depending upon the complaints of the commuters. The Contractor should ensure that while plying vehicles for NFC trips, persons other than the employees, are not permitted to travel in the vehicles.
- 5.5 In case of emergency like labour unrest at NFC, etc., the contractor shall make all efforts to run his vehicles normally.
- 5.6 The Administrative Officer, Nuclear Fuel Complex, reserves the absolute right to increase or decrease the number of vehicles and to modify routes depending upon the requirements. He will also have the right to suitably modify the routes and/or to alter the routes from time to time depending upon the requirement resulting in which there will be variation in distance/kilometers.

- 5.7 The 12 seater Tata Winger vehicles and 07 seater Toyota Innova vehicles to be run on routes offered should be of 2015 or later models. The vehicles to be run shall be in good running condition, roadworthy, and comfortable to the commuters such as having glass windowpanes, cushion seats, leak proof during monsoon/winter period.
- 5.8 In case of breakdown of the vehicle enroute, the Contractor should send a relief vehicle immediately, so that there is no dislocation in the transport services or inconvenience to the commuters. In case this relief vehicle does not take over the service from the breakdown vehicle and reach destination for that route, it amounts to non-operation and a penalty of Rs.2000/- per trip (one way) will be levied in addition to non-payment of hire charges for that trip. The running time of the route shall be reckoned from the scheduled time of arrival.
- 5.9 For the late arrival of vehicle at NFC campus, a penalty of Rs.500/- for every 15 minutes delay or part thereof will be levied and deducted from the contractor's bill. The late arrival shall be reckoned from the schedule arrival time of vehicle in respective shifts. In case of non-operation of vehicle (one way) and not touching any boarding point on any route the penalty will be Rs.3000/- in addition to deduction of charges for mileage for such journey.
- 5.10 The above penalty clauses shall also be applicable for delays attributable to the contractor in departure of the vehicles from NFC campus in outgoing trips.
- 5.11 In case, where delays in arrival/departure of vehicles, have occurred due to the circumstances beyond the control of the contractor, such as riots, traffic congestion and diversion of traffic by police/road authorities, Administrative Officer, NFC may consider waiving of penalty subject to the driver of the vehicle bring forthwith witness by five commuters (employees), certifying the cause of the delay with necessary evidence. In such circumstances, the driver of the vehicle shall also inform NFC management over phone about such delay.

- 5.12 The contractor shall keep and maintain a 12 seater capacity spare/relief vehicle in good condition, as standby, at NFC site in Round the Clock shift to cater to any unforeseen breakdown, late arrivals or departure of vehicles. In case of non-availability of spare vehicle, in any of the shifts, a penalty of Rs.2000/- will be levied.

Spare/relief vehicles provided by the contractor shall be only from those selected for use by the NFC authorities.

- 5.13 To facilitate smooth running of the vehicles services, the contractor shall provide a supervisor at NFC to liaise with Transport Section for which NFC will not pay any extra amount. The contractor shall provide mobile phones to all the drivers deployed on the vehicles to facilitate contacting them by NFC authorities.
- 5.14 The contractor should make his own arrangements at his own expenses for filling fuel, lubricants etc., and check the condition of the vehicle for ensuring their roadworthiness and good running condition before each trip. The contractor shall ensure availability of the fuel and lubricants in the vehicle run by him well in advance and should not take the vehicles for filling diesel/lubricants while commuting employees.
- 5.15 The distance in respect of various routes will be determined, if necessary, by joint survey of the routes by the representatives of the Administrative Officer, NFC and the contractor.
- 5.16 The contractor shall make all efforts to transport the employees to NFC campus as per approved schedule. However, in cases where after leaving the rallying points, at the scheduled timings, the contractor's vehicles are prevented from reaching NFC campus due to imposition of restrictions by Civil Authorities on the movement of vehicles by promulgation of prohibitory orders or due to civil commotion, rioting etc., the vehicles shall be deemed to have performed the allotted trips and the contractor would be eligible for normal payment for such incomplete trips, provided the driver of the vehicle declares to the satisfaction of the Administrative Officer, NFC, with such certificates witnessed by five employees in the vehicle that he was prevented from reaching NFC premises due to imposition of restrictions on the movement of vehicles.
- 5.17 A vehicle run on a route will not ordinarily be changed except when it is under breakdown or when it requires major overhaul, repairs etc. Any change shall be intimated in advance and the vehicle shall be produced for inspection along with the relevant papers.

5.18 The vehicles shall be parked in an orderly manner in the assigned parking slots on their arrival in each shift. At the end of the shift, the vehicles should leave NFC campus only at the stipulated time after hearing the siren. The vehicles should leave in an orderly manner, one after another. Overtaking of vehicles is strictly prohibited. The Contractor shall make arrangements to prominently display destination boards/route nos., on the vehicles of the respective routes.

06. Subletting of the contract

The contractor shall not sublet, transfer or assign the whole or any part of the contract.

07. Revision of rates

No request for revision of rates would be entertained during the period of contract. However, when price of diesel increases, the contractor shall be compensated for such increase as per details given below and the amount of the contract shall accordingly be varied. Such variation in the prices shall be worked out on the following provisions:

- a) The base rate, for working out such variations, shall be the last date on which tenders were stipulated to be received.
- b) The compensation in case of increase in diesel price shall be worked out for the month as per the formula given below based on the price as on 1st day of the month for 12 seater capacity vehicles (Tata Winger) and 07 seater capacity vehicles (Toyota Innova).

$$\frac{\{\text{Present diesel rate} - (\text{less}) \text{ Base rate}\} \times \{\text{Actual KM run in increase/decrease}\}}{\text{respective period (divided by) Average 11 KMPL by each vehicle}}$$

- c) The above escalation/De-escalation is applicable for both the vehicles.
- d) In the event of decrease in price of diesel, there shall be down ward adjustment and amount will be recovered from the contractor. In this regard the formula herein before stated under para (b) shall mutates - mutantis apply.

- e) Contractor is required to produce the documentary proof to claim compensation for increase in payment of diesel from the recognized Association/ Petroleum Company.
- f) The successful tenderer shall enter into an agreement with NFC.
- g)** Tender containing erasures or alterations will not be considered.

08. Insurance

The comprehensive insurance for the risk of the passengers traveling in the vehicle as also third party risk should be covered by the contractor to the extent of the liability specified in the Motor Vehicles Act as amended from time to time.

09. The documents pertaining to Registration of vehicles, licenses of drivers, payment of taxes, insurance, permits, etc., should be produced on demand to the NFC authorities for verification.

10. Settlement of dispute/differences by Arbitration.

- 10.1 Except where otherwise provided in the contract, all disputes and differences concerning this contract or arising out of the terms and conditions of this contract, whether during or after the expiry of the validity of the contract, shall be referred to the sole arbitration of the Chief Executive, NFC or to the person appointed by him.
- 10.2 It will be no objection that the Arbitrator so appointed is a government servant, that he had to deal with matters to which the contract relates or that in the course of his duties as a Government Servant he had expressed views on all or any of the matters in dispute or difference. The Arbitrator to whom the matter is originally referred being transferred or vacating his office or being unable to act for any reason, the authority as aforesaid shall appoint another person to act as an Arbitrator in accordance with the terms of the contract. Such person shall be entitled to proceed with the reference from the stage at which his predecessor left it.
- 10.3 Subject to aforesaid provisions of the Arbitration Act or any statutory modification or re-enactment thereof and the rules made there under and for the time being in force shall apply to arbitration proceedings under this clause.

- 10.4 It is also a term of the contract that the party invoking the arbitration shall specify dispute or disputes to be referred to arbitration under this clause together with the amount claimed in respect of each such dispute.
11. The Courts situated in Ranga Reddy District or the Hon'ble High Court of Telangana State, will have jurisdiction to adjudicate the matters arising out of this contract.
12. The contractor has to comply with the provisions of "Contract Labour (Regulation & Abolition) Act, 1970" and rules and orders issued there under from time to time. It is obligatory on the part of the contractor to pay wages to the workers employed by him on the work, as per the Minimum Wages Act.
